

CETO

WALL LIGHT

Ceto captures the variation and rippling of the surface of the ocean. Each piece reflects a unique pattern, emitting a delicate luminosity, highlighting the presence of the sea. This sculptural luminaire is available in a selection of mouth-blown glass finishes combined with a highly refined machined aluminium body available in a black and champagne anodised finish. The Ceto Wall Light reflects the shadows of the glass against the wall, replicating the natural flow and movement of water.

AVAILABLE FINISHES

TECHNICAL

MATERIAL	ANODISED ALUMINIUM, GLASS	CONT.	FOR OPTIMAL DIMMING PERFORMANCE WE RECOMMEND SOURCING A ROTARY OR PUSH BUTTON DIMMER WITH ADJUSTMENT DIAL CAPABLE OF SETTING THE DIMMING RANGE OF THE FIXTURE.
